APPENDIX A | BRAND LOGO PROMPT

AI prompt

Create a professional brand logo for a fictional chocolate brand named “90s Chocolate”, inspired by the nostalgia, fun, and happiness of the 1990s. Use bold, playful retro typography, with “90s” as the main visual element and “CHOCOLATE” clearly displayed underneath. Use chocolate brown, cream, golden yellow, and white as the brand colours. Include subtle vintage-inspired graphic elements and a premium chocolate-inspired appearance.

Display the exact brand name “90s Chocolate” prominently and include the tagline “Taste the Good Old Days!” on a clean cream background. Make the logo memorable, youthful, friendly, and suitable for college students and young adults. Ensure the brand name and tagline are correctly spelled and readable.

APPENDIX B | CHOCOLATE PACKAGING PROMPT

AI prompt

Create a realistic chocolate bar packaging mockup for the fictional brand “90s Chocolate”, inspired by the 1990s. Design an attractive chocolate wrapper using chocolate brown, cream, golden yellow, and white. Place the exact “90s Chocolate” logo prominently on the front of the package and include the tagline “Taste the Good Old Days!”

Use bold retro typography, playful vintage patterns, nostalgic shapes, and appetising chocolate imagery. Show one fully wrapped chocolate bar alongside a partially unwrapped chocolate bar with a realistic chocolate texture. Use professional studio lighting, soft shadows, realistic packaging materials, and a clean cream background.

Maintain the same logo, brand name, colours, and typography as the brand logo design. Ensure the brand name and tagline are clearly visible and correctly spelled.

APPENDIX C | BILLBOARD PROMPT

AI prompt

Design a professional outdoor billboard advertisement for the fictional chocolate brand “90s Chocolate”. Use a bold, nostalgic 1990s-inspired design with chocolate brown, cream, golden yellow, and white.

Display the headline “RELIVE THE 90s WITH EVERY BITE!” in large, bold, readable retro typography. Feature an appetising chocolate bar with rich chocolate pieces. Place the exact “90s Chocolate” brand name and logo prominently on the billboard. Include the tagline “Taste the Good Old Days!”

Use high contrast, minimal text, a clean visual hierarchy, and an eye-catching composition that can be read from a distance. Present the design on a realistic large roadside billboard in a modern city during daylight. Keep the logo, colours, typography, and brand identity consistent with the chocolate packaging design.
